Re: Worker Adjustment and Retraining Notification Act Notice

Dear Sir or Madam:

Please be advised that SSC Beverly Hills Operating Company, LLC, d/b/a Cambridge South Healthcare Center's facility located at 18200 West 13 Mile Road, Beverly Hills, MI 48025 ("Cambridge South"), will be temporarily laying off all of its employees as a result of a July 29, 2012 fire at the facility. We have made the decision to temporarily close the facility to allow our contractors to efficiently complete necessary repairs, while not disrupting the quality of life of the residents. While we are not certain about the period of the closure at this time, we anticipate that the work will continue through the end of this year.

The temporary layoff will be effective August 15, 2012 and will affect 106 employees, including 48 employees represented by SEIU Healthcare Michigan.

Marge Faville, R.N., President
SEIU Healthcare Michigan
2604 Fourth Street
Detroit, MI 48201

A listing of job titles and the number of employees affected is attached. There are no bumping rights.

This letter constitutes the official notification for purposes of the Worker Adjustment and Retraining Notification Act ("WARN Act") and is being provided as soon as practicable given the unforeseeable business circumstance the fire had on Cambridge South's operations.

Please contact Tim Irwin, Regional Vice President Operations at 1.810.360.3464 or Nan Impink, Senior Vice President and Chief Operations Counsel at 1.678.443.6900 if you have any questions.

Respectfully,
